Trips

Bug Man School Visit : TBC

WEATHER: Please ensure your child is dressed appropriately for the hot weather.

Notices/ reminders

It is important for your child to be dropped off on time so that your child can settle in and not miss vital learning opportunities. Your child should be collected promptly to ensure the staff have time to prepare for the next session or day or attend meetings.

- Nursery AM 8.45 - 11.45
- Nursery PM 12.15 - 3.10
- REC 8.50 - 3.15

Consolidation

The children have made amazing progress throughout the year. They have gained social skills to enable them to build friendships with children and staff. The children have embraced being Learning Dinosaurs and have learnt to be resilient and keep trying, to think and ask questions, to share their learning and ideas with others and to solve problems.

There is still a lot of learning to be done this year for all the children to reach an expected level of development by the time they finish Reception. If you have any questions about the Development Matters statements, which the teachers use to guide their teaching and assessment, please don't hesitate to talk to a member of staff.

Monday	Tuesday	Wednesday	Thursday	Friday
16.4 Toddler Group	Reception PE	Toddler Group	Tiddler Group
