

Year 1 newsletter Autumn 1

Dear Parents and Carers,

Welcome back to the new school year. Over the past few weeks the children have settled well into their new classes. They have been able to practice counting on using different movements and actions, they have explored a text and predicted the next part of a story and they have discussed the differences between seasons. They have remained fully engaged in their learning and are showing a good level of enthusiasm towards being in Year 1.

As in every year group it is so important that they make good progress throughout the year. There are many ways that you can support at home; listening to your child read every day will really help them. Please leave a comment in their reading record to let us know how they're getting on as you listen to them read.

If you are unable to make next week's 'meet the teacher' meeting, do find some time to speak to your child's teacher either before or after school. We are always keen to work closely with parents, as your support makes all the difference.

Bow Bells class

Our learning

In English, we will be reading "I love you, Blue Kangaroo". In maths we will be focusing on recognizing numbers 0-20, counting on and number bonds to 10 and 20. For Science we will be learning about the changes of seasons. We will also be learning about old and new toys as part of our topic work.

Some key dates

Tuesday 19th September 3:20-4pm 'Meet the Teachers'. This is an opportunity for the parents/carers to find out about learning expectations for the coming year.

Thursday 21st September 9-10am RWI parents meeting. Parents/carers are invited into school to learn about how phonics is taught and the impact that this has on children's learning.

Friday 3rd November Year one trip to memorial park. We will be finding out about our local area and how seasonal changes affect plants and wildlife.

Thank you for all your support,

Mrs Agar (Year 1 lead)
