

Year 2 newsletter Summer 1

Dear Parents and Carers,

We hope you and your family had a wonderful Easter break. Welcome back to the first half of our Summer term!

The 'Holiday Homework' was a great success! Thank you to everyone - adults and children, for working so hard to keep the learning going. This has really helped the children focus quickly in the first week back.

Tests: It is almost time for SATs! The children have just a couple of weeks left to prepare for their SATs during May.

Please continue to support your child **EVERY** day:

Reading - asking questions about each page;

Mathletics - 15 minutes every day;

Spelling - checking your child can write and say their spellings off by heart.

Our learning: In Geography, we are asking "Why do we love to be beside the seaside?". This will link to English, as we find out what happens to "Winnie at the Seaside". In Maths we are revising all areas of Maths in preparation for the forthcoming SATs. The children will also be improving their Spelling and Grammar skills, both to help their English writing and to help them succeed in their SATs taking place in a few weeks.

Warmest regards,

Miss Mathieson

Year 2 lead

Week beg	Mon	Tues	Wed	Thurs	Fri
16.4.18	First day back				Year 2 Spelling Bee!
