

Year 4 Newsletter Autumn 1

Dear Parents and Carers,

Welcome back to the new school year and welcome to year 4. Over the past week, the children have settled well into their new classes and are learning exciting things! They have been learning their number bonds to 100, making numbers more or less by 1000 and recognising the value of numbers. Also, they are excited to learn about what it was like living in Britain during the Roman times and finding out how the digestive system works.

As in every year group it is so important that the children make good progress throughout the school year. There are many ways that you can support at home. One of these ways is to listen to your child reading daily. Please remember to leave a comment in their reading record to let us know how they're getting on as you listen to them read.

It was great to see students wearing their correct school uniforms as they all look smart and ready for the school day. Please keep this up.

Reminders-

Homework

Spelling words are given on Monday and children should learn to spell them on their Friday weekly test.

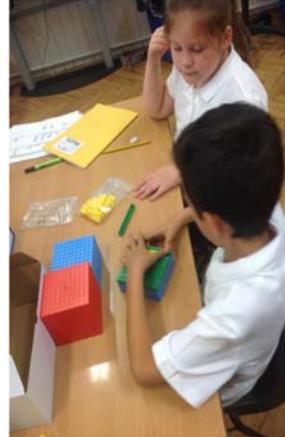

Maths homework goes out on a Monday and should be returned on Tuesday.

English homework is given on a Tuesday to be returned on Wednesday.

Reading books and reading records should be brought to school daily. Any loss of reading books will incur a £5 charge per book.

PE days are Tuesday and Friday. Please bring a kit to school on next Monday and take home on Friday

Pine

Elm

Our learning

In English, we will be reading "War and Peas" and writing exciting stories based on this book. In maths we will be focusing on recognizing numbers to 100,000, counting on and back including using negative numbers and adding and subtracting numbers. For Science we will be learning about the digestive system. We will also be learning about Romans and what they have taught us part of our topic work.
